Aphasia Access' 2023 Distinguished Speakers Series is a celebration of four members of our community who received the highest honors bestowed by the American Speech Hearing Language Association (ASHA). Each installment is a chance to dive into their expertise and experience first-hand why ASHA chose to honor them this year. We will kick off the new year with a intimate chat with Dr. Alyssa Lanzi (U. of Delaware) who received the Award for Early Career Contributions in Research. Each installment of
